Note for the Secretary P.W.D.

Regarding the allotment of Rs.30 lakhs for war-damage to roads, steps should be taken to spend the amount fully in as wide an area as possible. In view of the paucity of grant this year for the maintenance of roads, this allotment may be spent only on water-bound concreting of roads. Superior surfacing may wait. The Chief Engineer (Highways) may be accordingly asked to take necessary steps.

Sir,

Communications - Roads South Kanara District - Mangalore division - war arrear renewals - revised estimates - called for.

Ref:- G.O.No.2187-P.W.D., dated 16-8-46.

In the light of the revised instructions issued in G.O.no. "s. 3335-P.W.D.23-12-46, I presumed that the submission of the estimates to government for works relating to war arrear renewals is not nexessary.

Read: Lr No 2187 CW 8/16.6.1946 from the Chief Engr (W) No 3323 B/46-8 dated 30/1/47

Memo No 3730 A/46-1 dated 22.2.47

The Chief Engr (W) is informed that this presumption that estimates for works relating to war arrear Renewals in South Kanara Dt need not be submitted to Govt is correct provided that water bound macadam surface only is contemplated to be provided. In case black top surface is proposed to be provided

the estimates should be submitted to Govt. for their approval as instructed in Go No 365 PWB/10-2-194,
